The image shows the product packaging for the Gavita 8 ft Power Cord 120 V. The packaging is primarily black with orange accents. At the top, it features the text "8 ft 120 Volt" in white on an orange background. Below this, the product name "8 ft Power Cord 120 V" is written in large orange letters. The central part of the packaging shows a photograph of the power cord, which is black and has a standard 120V AC plug on one end and a specialized connector on the other. The Gavita logo, which includes the text "GAVITA HORTICULTURAL LIGHTING", is positioned above the photograph. Below the photograph, the text "120 V" is printed in large white letters. At the bottom of the packaging, it says "8 ft Power Cord 120 V for Gavita® LED Fixtures" in white, followed by "For use only with Luminaires Listed to ANSI/CAN/UL 8800". On the right side, there is a vertical orange banner with the text "8 ft 120 Volt" and "Power Cord 120 Volt for Gavita® LED Fixtures". Below this banner, there is a small Gavita logo and the text "Consult your Gavita LED product manual for installation instructions. Compatible with Sun System LEDs Fixtures." and the website "gavita.com".
