

MONSOON 2.5

FZVABN-2.5

about

The FlowZone® MONSOON 2.5 is a powerful sprayer combining select features of the Pro-Series lineup with unrivaled portability. Multi-terrain wheels transport this large capacity sprayer with ease. A 20-foot hose provides the freedom to navigate and spray while away from your sprayer.

Work up to 3 hours on one charge of the battery and spray over 30-feet away. The MONSOON 2.5 is the premier option for navigating between horticultural rows.
