

PRIDE LANDS PREMIUM SOIL

For indoor, greenhouse, and outdoor use. Pride Lands Premium Potting Soil is a ready to use soil that is suitable for all container types.

Pride Lands Premium Potting Soil holds moisture well in most environments.

DIRECTIONS

Water one to three times per week according to your plant's needs. For best results, feed with organics and compost tea. We recommend using **GreenGro Granular Plus Mycorrhizae** when transplanting into Pride Lands Soil.
