

PRIDE LANDS DEFENSE

CONTROLS & REPELS PESTS FOR LANDSCAPES & GARDENS

FEATURES AND BENEFITS

*Natural and Organic *CDFA and OMRI Certified *Top Dress or Foliar Spray *Controls and Repels Mites, Fungus Gnats, Thrips, Root Aphids, Soil Dwelling Insect Larvae, and Munching Insects

INSTRUCTIONS FOR USE

TOP DRESS:
Add 1 dry tbsp per gallon of media or 1 cup per 4'x4' of soil surface. Apply the product around the base of the plant, lightly scratch into the soil and water in.

TEA / FOLIAR:
Add 1-2 tsp per gallon of water or 1 cup by volume per 50 gallons to your regular compost tea. Brew for 12-24 hours, then spray liberally onto both the top and bottom of the leaf. For best results, do not dilute more than 50/50 with pure water.

ACTIVE INGREDIENTS

Garlic, clove, cinnamon, peppermint, white pepper
